To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales.

The Petition of citizens of New South Wales

Brings to the attention of the House:

The sale of land on the Royal North Shore Hospital Campus to fund the construction of the new hospital. The high density commercial and residential developments that will occur on these lands.

The undersigned petitioners therefore ask the Legislative Assembly to:

(1) Retain lands currently planned for sale.

(2) Preserve the land for future expansion of the campus and as open space which can be used by patients, their visitors and the local community.
